CERTIFICATE OF COMPLETION

This certifies that

Regi Metra

has successfully completed the

BIM Boot Camp

DIGITAL CERTIFICATE:

NUMBER: 60ef73bdc22a377b

DATE: April 6, 2026

This certificate recognizes your achievement in completing the Plannerly BIM Boot Camp. By completing this program, you've built a strong foundation in BIM and ISO 19650 principles, gaining the clarity to take your next steps in structured information management. Your commitment to learning and growth demonstrates initiative and sets the stage for future success. Thanks to this accomplishment, you are now prepared to advance through the certification levels and lead projects with greater alignment, accountability, and structure.
