VERIFY THIS CERTIFICATE:

NUMBER: d259bec969c12216

DATE: November 9, 2026

Congratulations on becoming a Certified Plannerly Professional! This certificate recognizes your commitment to bringing people, plans and information together on real projects. You've shown you can write the plan with your team, agree who delivers what and when, check the work against what was agreed, and hand over information the client can trust. Projects run better because of people like you.

This course may be recorded as informal or self-directed CPD.
